

1. Ghost Theme

This track was originally going to be the first song on my new album "The Ghost That Broke In Half", but in the end I changed my mind.

2. Follow The Herd

The title track of the EP. Also appears on "The Ghost That Broke In Half".

Joni Huttunen made a video for this song. You can watch it at vimeo.com/7552120

3. Just A Boy

This track was written by Paul Stanley and Bob Ezrin. The original version appears on the Kiss album "(Music From) The Elder". That was the first album I ever bought and I listened to it every day when I was a little boy. I still listen to it every now and then.

4. Silent Night

This is my version of a popular Christmas carol. The original lyrics of the song ("Stille Nacht") were written in German by the Austrian priest Father Josef Mohr and the melody was composed by the Austrian headmaster Franz Xaver Gruber. In 1859, John Freeman Young published the English translation that is most frequently sung today.

5. Old And New Friends

I wrote this instrumental piece for the Swedish short movie "Gamla och nya vänner" (Old and new friends). The movie was directed by Magnus Söderstedt and premiered at the Gothenburg International Film Festival in 2009.

6. The Rejection Letter

This track was written by The Strugglers (Brice Randall Bickford). The original version appears on The Strugglers album "You Win". This version also appears on the Tract Records compilation "Engano" and the Boy Omega tour cd "A Distant Foghorn".
